Constructionism 2018
Constructionism, computational thinking and educational innovation
Vilnius, Lithuania, August 21 to 25

Prof. Tim Bell

University of Canterbury
New Zealand

Tim Bell is a professor in the Department of Computer Science and Software Engineering at the University of Canterbury. His "Computer Science Unplugged" project is being widely used internationally with the supporting materials (books and videos) having been translated into over 20 languages. Tim has received many awards for his work in computing education including the ETH (Zurich) ABZ International Honorary Medal for Fundamental Contributions in Computer Science Education (in 2013) and the 2018 ACM SIGCSE Outstanding Contribution to Computer Science Education award. Since 2008 he has been actively involved in the design and deployment of teaching Digital Technologies in New Zealand schools.
